This is a public works contract within the meaning of Part 7 of Division 2 of the California Labor Code (Sections 1720 et seq.). The minimum compensation to be paid for all labor performed under this contract shall be pursuant to Labor Code Section 1773. The Director of the Department of Industrial Relations has ascertained the general prevailing rates of per diem wages and for holiday and overtime work, in Contra Costa County, and for each craft, classification, or type of worker needed to execute this contract. Copies of such prevailing rates of per diem wages are available online at <http://www.dir.ca.gov/oprl/DPreWageDetermination.htm> and on file with the City Engineer to be made available to any interested party upon request. The contractor shall post at a prominent place on each job site a copy of these prevailing wage rates and any other job site notices required by regulations of the Department of Industrial Relations. All subcontractors employed by the contractor shall not pay less than the specified prevailing wage rates to all workers employed in the execution of this contract. The Contractor is not relieved of the obligation to pay prevailing wage rates for any craft or classification not listed by the Department of Industrial Relations. If a contractor intends to use a craft or classification not listed by the Department of Industrial Relations, it must immediately notify the City and the City will promptly determine

the prevailing wage rate for that type of work. If no determination has been made at the time the contract is awarded, the contractor shall pay the prevailing wage rate of the craft or classification most closely related to the craft or classification used.

All bidder questions/requests for interpretation shall be made in writing and delivered to the engineer listed below before **5:00 p.m. the Wednesday** prior to the scheduled bid opening. Questions/requests received after this deadline will remain unanswered. No oral representations or interpretations will be made to any prospective bidders as to the meaning of the Contract Documents. Interpretations, where necessary, will be made in the form of an addendum to the Contract Documents and, when issued, will be forwarded to all prospective bidders listed on the planholders list. The current planholders list can be found at the City's Online Planroom website as listed above. The City of Orinda makes no guarantee as to the accuracy or completeness of the Planholders List and Bidders shall be solely responsible for obtaining all addenda from the City's Online Planroom. All addenda shall become part of the Contract Documents as outlined above. Failure to include the addenda in your bid may be grounds for declaring your bid as non-responsive and therefore ineligible for award. No "or equal" products will be considered for approval prior to the award of the contract.

Pursuant to Public Contract Code Section 4104.5, if the City issues any material changes, additions, or deletions to the contract documents later than 72 hours prior to the date and time for closing of submission of bids (the bid deadline), the City will extend the bid deadline by no less than 72 hours. As used in this section, "material change" means a change with a substantial cost impact on the total bid as determined by the City. The City reserves the right to postpone the date and time for receiving and/or opening of bids at any time prior to the date and time established in the Notice to Bidders. Postponement notices shall be issued in the form of addenda.

The City reserves the right to reject any and all bids or any portion of any bid and/or waive any irregularity in any bid received. Bidder may not withdraw their bids after the bid opening. All bids will expire on the 36th day after bid opening unless the City extends the award period beyond the 36th day after the bid opening.
